The Dimmer VIEW

By MAX GOODWIN

Those of you who took the trouble to tell this newspaper that the loss of the local court would cause no hardship among residents of this area would do well to listen to the "beefs" from the citizens who now find themselves having to go to town "for a day" to transact court business that formerly could be resolved in an hour.

A printers' oddity, a calendar which shows 31 days in September has been received by the Lemon Grove Drug Store from Rexall Company.

Harry Burris, firm's owner, promptly penned a note to Rexall saying:"

"Thirty days hath September
The other months I can't remember."

Came a belated warning this week from Terry R. Caster which may save some local merchants a stamp-sized headache; check with your Better Business Bureau before signing up for a stamp scheme to replace the one that may have been dropped. Cecil Candler, San Diego manager of the Bureau has a pretty good idea who the sound stamp firms are. His number is BE 3-7711. Caster? He's the representative for Orange Premium Stamps and he says they are sound, and they are good.

What he failed to say is that there are others that are good too. There's TV stamps . . . and S&H Green stamps. There may be others but on these three I couldn't find a reason to issue a warning.

Another thing Caster didn't say . . . and probably didn't know but he should if he's as intelligent as he appears, is that the fizz continues following the folding of the Prudential stamps. Two sad stamp stories reached my lily-like ears the past week. Ed Sievers who lives on Buena Vista, near Mayfair Markets where he said he got all his stamps, cashed them for an electric mixer two weeks before the stamps went out. The mixer did not work so he took it to the

Thad Butts Named Kiwanis Prexy

Thad Butts, a drug sales representative, was elected president of the Lemon Grove Kiwanis Club last week, it was announced by retiring president Dr. Si Brumbaugh.

Others elected to offices were: Freeborn Cressy, first vice-president; Dr. Thayer Crow, second vice-president; Sam Solleder, secretary (re-elected), and William Paul, treasurer.

Elected to the board of directors were: Harold Bacon, Dr. Thomas Early, Bob Howell, Dr. Dennis McLaughlin, Dr. Vernon Officer, Jerry Walter and Robert Wilson.

Installation will take place in early January.

Al DeClerico Installed Toastmaster President

The Lemon Grove Toastmasters entertained their ladies at dinner recently at Lawton's. Following the delicious dinner a most entertaining program, with Max Yale acting as Toastmaster, was enjoyed by all.

Don Caton, Area Governor, acting as installing officer, presided at the installation of officers. Al DeClerico will serve as president, George Hamilton, educational vice-president; administrative vice-president, Earl Jones; secretary, Max Yale; treasurer, Frank Knittle; and sergeant-at-arms, Bill Calson.

$4½ Millions High School Issue To Cut Tax Costs If Passed

William De Groot, a San Diego County assessor, told Spring Valley PTA members October 10 that if $2,000,000 bonds and $2,500,000 state loan issues are authorized by voters in the Grossmont Union High School District the local tax rate will drop for two years and level off at 45c. The rate, at present 52c, has been as high at 74c. The drop would be due to the District's participation in the California state building program again after an absence dating from construction of Helix High School.

Present state legislation limits repayment of loans to 45c (possibly 55c, depending on clarification of the legislation at the next budget session in Sacramento), and this is 7c less than the rate at which the Helix High loan is now being repaid.

On the other hand, said Mr. De Groot if bonds and loans are not authorized on October 15, the tax rate will rise sharply to from 60c to 70c for two years, repaying the present state loan in full. Then, if no more bonds were issued and the building program stopped completely, the tax rate after 1959 would drop to about 30c and then tend to decline 4c a year until 1963 when it would level off at about 18c.

Funds asked at this time would be used to replace sub-standard buildings on the Grossmont campus, build a fifth high school in Lakeside, purchase another school site in the eastern part of El Cajon Valley, and add classrooms to Helix and El Cajon Valley High. This program would avoid half-day sessions at Mt. Miguel, Helix, Grossmont, or El Cajon Valley High for about five years. However, added sub-divisions could change the picture.

GROVE BARBER FACES OBSCENE FILM CHARGE

Robert "Bob" S. Sargent, 44, 7641 Circle Drive, who operates the Broadway Barber Shop at 7868 Broadway, was arrested Friday on a complaint filed by the sheriff's department accusing him of violating a county ordinance which prohibits distribution of obscene matter.

Specifically, he was charged with renting five reels of obscene motion pictures to a group of college students, Sargent was booked at County jail but is free on $100 bail, which he posted.

Deputies were called by neighbors who were alarmed by the noise and a large number of autos parked at a ranch in Lakeside September 27.

Sheriff's Lt. Tom Isbell said the students told him they rented the five reels for $30. The pictures were seized by deputies in the ranch barn raid.

Area deputy sheriff's office said that the complaint had been filed before Municipal Court Judge Smith in San Diego. Infraction of the county law on obscene distribution is a misdemeanor.

Sargent entered a plea of not guilty Monday and trial was set for January 9.

Grove Pair Dies In Texas Auto Crash

Mr. and Mrs. K. D. Land, 7415 Pacific Street, Lemon Grove were killed instantly Sunday morning at approximately 10 a.m. when the auto they were driving was struck head on in Albany, Texas by a youthful oil field worker. Relatives of the Land's said the youth was driving on the wrong side of the road at the brow of a hill when the accident occurred.

The couple had been visiting relatives in Princeton, Indiana and were enroute to Lemon Grove. Mr. Land, 71, was retired. Mrs. Land, who would have marked her 64th birthday this Tuesday, had been working at the Lemon Grove Health-ful Foods Store on Broadway.

Surviving the couple are Mrs. James Oyler who with her husband operates the radio-television repair shop on Broadway; Mrs. Joseph Loesch, 6944 San Miguel, and Mrs. Land's brother who lives in Indianapolis. The two daughters flew to Albany to make arrangements for the funeral which will be in Princeton.

Jaycees Dress Up Plaza With Bumpers

Never underestimate the influence of the ladies!

Last week, members of the Lemon Grove Junior Chamber of Commerce were busily installing bumper rails along the newly grassed plaza on the railroad right-of-way between Lester Avenue and North Street.

The Lemon Grove Lumber Co. donated the lumber and the Jaycees supplied the iron poles. Supplying the incentive? It was the Lemon Grove Business Women's League.

One of the outstanding highlights of the season, in the Lemon Grove-Spring Valley area, will be the "Fashion Musicale", to be presented at Mt. Miguel High School, 7:30 p.m., Tuesday by the Music Parents Club.

Fashions will be presented by Lowe's Toggery, Lanes Men's Store and Morrison-Adams, jewelers. There will be many outstanding models, including Mel Grant, high school principal. Models chairmen are Mrs. E. Mickelson and Mrs. M. E. McKinney.

Carol Prasser, well known accordionist of the Fred Waring Group, and "Jester No-No", the trained white poodle of Mrs. Marie Hitchcock, will be included in the entertainment.

Pleasant surprises during the evening have been planned by Mrs. Ted Arrington, general chairman. Refreshments will be served, and many lovely prizes will be awarded.

Proceeds of this event will be used to send the band to Long Beach in November, to compete in the All Western Band Review. Donations are $1 for adults and 50c for children, and tickets may be purchased at the door, as well as from the music students.

OUCH POP! — Lemon Grove Dr. Tom Early, MD, member of the San Diego County Medical Society prepares his son, Tommy, for third in the series of Salk vaccine inoculations. The third injection is absolutely essential, according to Dr. J. B. Askew, Director of County Public Health. Persons who had their second injection during the public immunization program early this year are now due for the third and final injection. Dr. Askew said the person should see their family doctor for the inoculation.

Values Galore To Be Ready For Lucky Lemon Days

You'll read about it in the newspapers, and you'll hear about it by radio, but mostly you'll find out about it when you visit your favorite Lemon Grove shop next week. That's when the Boosters Club will unfold a gala, record bustin' sales event appropriately titled Lucky Lemon Days.

Lucky Lemon Days will be marked Thursday, Friday and Saturday and participating merchants will show a Lucky Lemon sign in their windows.

One of the features of the promotion will be the awarding of an automobile, pedal power, built like the Thunderbird. It is a single seater and the color is white. Coupons will be distributed at all participating shops. The coupons will be dropped in a box in the store and a drawing will be counducted Saturday, October 19, at 6:30 p.m. in the plaza. There will be other prizes, too.

Meanwhile, Lemon Grove shoppers will find a bigger variety of merchandise than ever before, at prices that are competitive.

If you plan to do your fall and winter shopping soon, plan it for next week in Lemon Grove when Lucky Lemon Days specials are planned to please your merchandise needs . . . and your pocketbook. A guide to where to buy will be part of the Lemon Grove REVIEW. Extra circulation around the fringe of Lemon Grove will be added.

Watch for merchandise announcements next week about Lucky Lemon Days.

Change Taken In Church Burglary

Burglars entered St. John of the Cross early Friday morning and took change from a prayer offering box.

Sherriff's deputies said that the burglar attempted to open a safe kept in the church building. The combination was knocked off but the contents could not be reached. They also attempted to break into the sanctuary where valuable chalices are kept.

Deputies are investigating.

Not Buying The Trailer Court Says Scott

George Scott, president of the Walker-Scott Company, this week scotched rumors that he had purchased the Lemon Grove Trailer Court which strings 255 feet along Broadway opposite the Lemon Grove post office.

The 32 space trailer court is owned by Ernest Gillenberg, who divides his time between Lemon Grove and Del Mar. He owns and operates the Copper Broiler in Del Mar.

Gillenberg said that no one had contacted him regarding the sale of the property. "We entertained thoughts of selling it a while ago but in recent months we took it off the market. You can say that it is not for sale at present.

Belief the Scott had bought the property had been widespread locally. Last week an executive with the Walker-Scott firm said he "understood Mr. Scott had acquired" the valuable site.

Scott said he had not planned nor did he plan to acquire the Gillenberg property which had been recognized as a key piece

4 Million Gallon Tank

Directors Say OK Engineers Say OK

The Helix Irrigation District board of directors accepted the engineering report of a group of San Diego civil engineers Tuesday and agreed that the 4 million gallon new water tank on the hillside north of Lemon Grove is safe.

The tank, built at a cost of $230,000 had been declared by Richard Silvey, an HID inspector until last month, as being inflexible to the extent that it "would tear itself to pieces". Silvey said flexing of the tank was restricted "by backfill".

HID engineers refuted Silvey's charges later but acquired the services of Freeland, Evenson, Christenson and Boas, civil engineers located in the Spreckels Building in San Diego.

The firm, in a report dated October 1 said they had made a structural investigation. "The report concludes," say they, "that the reservoir as constructed and backfilled is safe from rupture or failure under empty or full conditions . . . " when subjected to normal stresses.

The directors indicated they would accept the tank next week. HID engineers said that the new tank would go into service in abdut 10 days. Power drop to an electrically actuated control valve is all that remains to be done. Harry Griffen, board director said Lemon Grove residents will no longer have pressure fuctuations after the new tank is connected.

Democratic Dollar Day plans for the Lemon Grove area have been completed, said Mrs. H. J. Warner, area leader of the fund raising campaign. Democratic Dollar Days are October 11 and 12.

"We will have a neighborhood worker in every precinct in the Lemon Grove area, ringing doorbells and asking Democrats to give a dollar for the 1958 election," Mrs. Warner said "football games are won in spring practice, and elections are won the year before, which is why we are campaigning early."

All funds raised on Democratic Dollar Days will go toward the 1958 election campaign, Mrs. Warner said. The drive in Lemon Grove is part of a national Democratic Dollar Day campaign sponsored in San Diego County by the Democratic County Central Committee, with all clubs in the county participating.

One-third of funds collected will go to the Democratic National Committee for use in the 1958 congressional elections; one-third will go to the State Democratic Party organization for use in the gubernatorial campaign in 1958; the remaining third will stay in San Diego County for use of local candidates, including that of the assembly race in the 77th district, embracing Lemon Grove.

Area Residents To See "Harvest Of Daughters" Centerpiece

Mrs. Jens Hutchens, president Grossmont Hospital Women's Auxiliary, has announced that the beautiful "harvest of daughters" centerpieces created for the twin head tables at last Saturday's highly successful Harvest Ball, will grace the head table at next Friday's auxiliary luncheon. The centerpiece are so original and so appropriate to the occasion, it is felt that many members who were unable to attend the ball would welcome the opportunity to see them. The luncheon, as has been announced, will take place in the El Cajon Masonic Temple, 11:30 a. m., and will be followed by a general meeting at 1 p. m., which the entire membership is being urged to attend because of many important matters on the agenda, including proposed revisions of the by-laws.

Matadors Humble El Cajon Braves

by Jerry Wingo

Mount Miguel Matadors racked up their second win, humbling the El Cajon Braves 25-12, Friday at Helix Stadium.

Fullback Ron Helsel literally ran away with the show as he chalked up three of the four Matador touchdowns. The "Babies of the Metro" first scored early in the initial period when Helsel ran over from the 7 yard line. Pete Jernigan's try for the extra point failed.

Early in the second period, halfback Vern Booth managed to swipe some of Helsel's glory by going over from the 6 yard line. Jernigan again faltered.

Just before the halftime gun, big Ron scored his second td with Booth running the conversion. Midway in the third quarter, the Matador forward wall opened up a gap and Helsel sneaked through for the six pointer.

El Cajon's two touchdowns came late in the fourth quarter, the first on a Larry Hancock-Gary Hokenson pass and the second on a Hancock drive.

How telephone men fight metal-eating winds

Tony Gurnari and Vic Sculatti (left and right above) are part of a telephone metal-testing team. They're prying open what we call a terminal box. It's like the one to which telephone wires from your house are connected. But this one is frozen shut by a hungry metal-eater called corrosion. Corrosion can be caused by salt-laden wind, fog or ocean spray. It can rust, pit or crack tough metals. So we test to find metals that are economical to use yet resist corrosion. Telephone men also study other destroyers like wood rot, insects and even gnawing animals. By controlling such destroyers, we save thousands of dollars worth of equipment each year.

At the test site, Tony and Vic are at work learning new facts about corrosion by exposing metals to ocean winds and other elements. Their tests are part of our effort to lengthen the life of every kind of equipment serving your phone. At the same time these tests help us keep your service dependable.

Working together to serve you better .... The men and women of **Pacific Telephone**

'Fire Week' Warnings Given By Chief

Get out of the house the minute you discover a fire or suspect one—and get everyone else out at the same time.

"Everyone should memorize this and other life safety rules about fire," warns Lemon Grove Fire Chief, Harold Hensley "because they're your best guarantee of surviving a fire in your home."

He recommends these other rules as important to remember, too, if fire should strike:

Be ready with different escape routes from any room in your house.

Feel a door before opening; if hot, block it with furniture and seal with wet towels and blankets; try to get out another way.

Never jump from upper-story windows except as last resort; wait for firemen.

Hold your breath if you have to dash through smoke and flame; and remember that the air is usually better near the floor in a smoke-filled room.

Once out, don't ever go back into a burning building—smoke and gases from even the smallest fire can be deadly; children very often go back into their homes, so keep them restrained.

Get medical treatment at once if you are burned or exposed to smoke; seemingly minor burns or smoke inhalation can be exceedingly dangerous.

Call the fire department the instant you're certain that everyone is safely away from the fire and leave the fire fighting to trained firefighters.

The warning is timely, its Fire Prevention Week!

WOMEN'S CONCERT COMMITTEE FORMED FOR AREA

Women's Committee of the Grossmont Community Concert Association is to be formed according to plans made at an organizational coffee in the home of Mrs. William Starr, 9911 Fuerte Drive, Grossmont, recently.

Mrs. Gilbert Harelson, general chairman, explained the purpose of the new group after introduction by Captain H. E. LaBarron, president of the sponsoring concert association. Honored guests were, Mrs. Frederick G. Goss, chairman of the board of the San Diego Symphony Association and founder of its women's committee, and Mrs. Alexander Haas, co-chairman of the San Diego Opera Guild.

Civic leaders asked to serve on Board of Directors for Women's Committee during organization are Mrs. Carlisle Anderson, chairman, and Mmes. Homer List, Amy Sonka, Ted Arrington, John C. Mayer, Marie Decker, Alec Cory, William Starr, T. M. Mitchell, Robert Hadley, James Stewart, James Hill, S. H. Mathews, Dale Reeser, Schurer Moe, Genevieve Prill, Clara Brooks, Gloria Carmichael, Josephine Cummingham, Paul Shoonhoven, Conant Moulton, Joseph M. Hoover, Sam Ackerman, Donald Folland, and M. A. Smyd.

SMILINGEST—Herb Lowe, operator of Lowe's Toggery on Imperial Avenue, was judged the "friendliest" last week by the Lemon Grove Boosters Club.

Boosters, actually the the Merchant's Division of the L.G. Chamber of Commerce, named Lowe as being representative of the friendly, cooperative spirit to be found among all Lemon Grove business firms, according to Jim Spears, Boosters president.

Spears said the contest would be run from time to time to properly publicize and reward those who help keep Lemon Grove noted for being one of the best shopping areas.

Lowe will be given a plaque by the Boosters. —Tappy Foto

JAYCEES SET UP L.G. PET PARADE

A community-wide kiddies Pet Parade will be held October 19 under the sponsorship of the Lemon Grove Junior Chamber of Commerce according to Del Anderson, who is Jaycee chairman of the event.

Youngsters will dress their favorite pet up in the fanciest rigging they can dream up, march them over Pacific Street to the playground of the junior high school where prizes will be awarded, and free ice cream and other refreshments will be given out, free.

Joe Payson, Jaycees publicity chairman said that the float designed by Vernal Wilkinson, Jaycee veep, had won a trophy for "best depicting the theme" of the Fiesta Del Luna. The float was a western scene with the Lemon Drop Kid as the center piece. The "Kid" character will be used on future Jaycee floats.

A "Voice of Democracy" contest is planned again this year for Mt. Miguel and Helix students. Bill Van Dusen is in charge of the event.

Members of the group are nursing sore backs as a result of the plaza improvement chore taken on in co-operation with the Business Women's League.

"There is no truth" in the rumor, Scott said. "Why would I buy it? I would be in competition with myself." Scott is the developer of College Grove Shopping center, soon to get under construction.

Scott said the College-Grove start was awaiting the release of certain property adjacent the present College-Grove Center by the California Division of Highways. Jack Webb, Rights-of-Way chief for the Division said the property in question would be put on the market in the middle of November.

Scott also said that plans for fixturing the hugh Walker-Scott Department store in the center had been formulated and the firm's New York office had been notified to start acquiring merchandise for it.

Scott is scheduled to reveal the projects timetable at a meeting of the Lemon Grove Men's Club late in November.

Prudential people at Euclid Avenue. There they dutifully gave him a receipt.

He came in here hoping we could give him some guidance on how to get his mixer back, working or not. We couldn't.

Mrs. Benny Siele lives on Roosevelt. She saved seven books of stamps and took them in for an appliance . . . but the premium shop was closed. She managed to get the Los Angeles address from the local market. She not only sent her books, as directed, but she sent more than a buck sales tax, also as directed. That night she read in the REVIEW that Prudential had collapsed.

We've had Newspaper Week, are in Fire Prevention and International Letter Writing Week, but I want to dedicate my part of this month to "Boy Scout Troop 309 Week."

This group of fellows, with whom I have been friends for a long while, is headed by Ben Ela, scoutmaster, and Bob Jones and Cliff Gomes, assistants. Troop 309 and I have exchanged favors of one kind or another during our long acquaintanceship but the other day the troop evidently felt that they were on the plus side and that I should be rewarded. On Saturday a work detail charged down on my newspaper plant with brooms, shovels, wheelbarrows and rakes. They worked like Trojans and the grounds of our old place is one of the sparklingest show places in the community today. They loaded my truck to overflowing with dead crab-grass, decomposed granite, weeds, sticks and cans, all of which had become a permanent part of the terrain.

The wonderful guys who did the work were: Bob Sileneck, Jerry Gomes, Billy Simmons, Danny Mangels, Jimmy Sunbury, Don Peters, Dan Ela, Don Nottingham, Jerry Denlinger, David Goffeney, Nick Stumbaugh, Dick Stumbaugh, Bobby Jones, and the senior patrol leader, John Ball.

I lined the boys up after they finished work, and I thanked them. Then I hurried back in my office after I had my say because I was afraid the pride in my heart would turn to a tear in my eye, so pleased was I. That might have made them ashamed of me because we scouts never cry.

When I talked this week to Burton Jones, operator of the Capri Theatre where "Around The World In 80 Days" is playing, he denied that the Russian satellite was a publicity stunt for his movie.

He did tell me about a promotion that is almost as intriguing. He said Mike Todd, the producer of "80 Days" was having an "intimate" party in New York October 17 at Madison Square Gardens. Jones said he would send some lucky couple from San Diego county, perhaps from Lemon Grove, to the party, all expenses paid.

The couple must fill in a coupon either at the Capri, or in Lemon Grove at Marsi's, and if their name is pulled from the box on October 15, off they go to party with Todd and Liz Taylor and a thousand or more friends of Todd's No purchase is necessary to get into the swim, Jones said.

Local Man Heads Handicapped Aid Drive

San Diego Conuty's observance of the national Employ the Physically Handicapped week will be held this week starting Monday, and continuing through Saturday, Dr. Frank Gigliotti, of Lemon Grove, local chairman announced.

A civic luncheon will be held at El Cortez hotel Thursday, when federal, state, city, county and civic officials will salute the San Diego institutions and firms, which have helped keep the physically handicapped gainfully employed, said Dr. Gigliotti.

A representative of Justin Johnson, of Los Angeles, state chairman, will make the major address.

In preparation for the week-long event, Dr. Gigliotti headed a large delegation of business and industrial leaders from San Diego which attended the annual luncheon-meeting of the Governor's Committee to Help Employ the Handicapped, held Friday at Hotel Biltmore. In the delegation was Myron Insko, executive director of the Goodwill Industries of San Diego county, who headed the local NEPH committee for seven years.

is Mrs. R. J. Collette (HO 6-9087) and Mrs. L. L. Bender is committee poll watcher at San Miguel.

The fourth official polling place next Tuesday is the Lemon Grove Intermediate School (Jr. High) at 3021 School Lane. This serves residents from precincts 20-L,20-Z, and 21 through 26. Inspector here is Mrs. Gladys Phares; judges are Mrs. Lillian Allison and Mrs. Amelia Mangano. Mrs. J. W. Dyer is poll watcher for the bond committee, and Mrs. A. F. District school employees "Bart" Bartholomew and Emory Humphreys will ready the buildings for the 7:00 a.m. opening of the polls. Voting then continues over a twelve hour period until 7:00 p.m. Official returns will be announced seven days following ing school board. Unofficial returns will be made known late Tuesday evening.

Little League Makes Plans For New Home

The Lemon Grove Little League will have a new home come the 1958 baseball season. This was announced Monday evening at the regular monthly meeting by Mr. Carmine Ursillo, newly elected president.

"Plans are already underway to select a new site for the park and preliminary investigations indicate Little League will make their home in the Monterey Heights area", President Ursillo said.

In a meeting with the Lemon Grove Swimming Pool Association two weeks ago, it was found to be the consensus of everyone that the Little League should seek a new field of their own. This was an agreement between all three factions involved in the discussion.

Since that time Mr. Ursillo, working with his committee investigated the Monterey Heights site and found it to be the most practicable for Little League needs. The committee formed to aid in this project is under the chairmanship of Mr. Henry Faucher.

After the plan has been accepted by the School Board and the Board of Supervisors, the different civic groups will be contacted to get their assistance in moving the park before next season.

EX POWS TO MEET TUESDAY

American Ex-Prisoners of War, San Diego Post, will hold its regular meeting Tuesday, 7:30 p.m., Veterans War Memorial Building, Balboa Park. An official tape recording loaned by the U.S. Air Force will be presented. This was made by Major Myers, the only combat psychiatrist in the A.F., and covers the research he made of war prisoners released from Korean captivity. The meeting will commence at 7:30 p.m. Because of the interest of the subject, the public is invited. Refreshments will be served.

REALITY, UNREALITY CONTRASTED IN SERMON

The Lesson-Sermon in the Christian Science churches on Sunday deals with the reality of the things of God and the inherent unreality of all that is unlike God. "Hath not God made foolish the wisdom of this world?" key; notes the Golden Text from I Corinthians (1:20). The subject is "Unreality."

God's promise of blessedness and healing for those who serve him, as revealed to Moses, is given in the Lesson-Sermon from Exodus (23:25), "And ye shall serve the Lord your God, and he shall bless thy bread, and thy water; and I will take sickness away from the midst of thee."

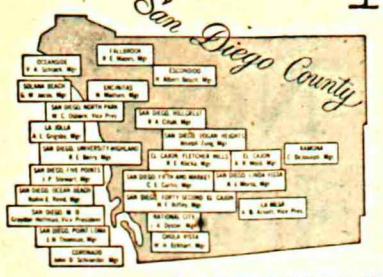
WHO'S WHO
in San Diego County?

Mr. & Mrs. Noah Goodeal



This couple, like thousands of their San Diego County neighbors, know a good deal when they see it. They know their savings at Bank of America are working to build their county, providing capital for loans that make progress possible. And the tidy 3% interest paid on savings by Bank of America — totaling nearly $3,000,000 in this county last year — gives local people more money to spend with local merchants. This is another example of how Bank of America helps build a better San Diego County. We're statewide, sure... *but local, too!*

Help Insure Their Future

Candy and Randy, first graders at San Miguel School, are only two of more than 100 children here in Lemon Grove now attending school only half days. Increased home building and a rapidly increasing population have overloaded the existing schools, forcing too many boys and girls into a double sessions program. Pictured here are: Candace Estes, daughter of Mr. and Mrs. Hugh Estes, 1829 Primera St. and; Randell Cooper, son of Mr. and Mrs. Charles Cooper, of 1600 Primera St.

They, along with nearly 3500 other students in Lemon Grove Elementary Schools, can be educated for the future if the school bond issues receive a two-thirds "YES" vote next Tuesday.
